KNIK CANOERS AND KAYAKERS

MAY 21 MTG at CHANGE POINT CHURCH

The May 21 meeting is focused on **Trip Planning**. Club members that are able to give this type of advice will offer tips on trip planning for raft trips, sea kayak trips and canoe trips. **Come on out, meet members and arrange trips!!! BRING YOUR SLIDES, CDs, MAPS and INFO on places you've been AND YOUR CALENDAR.**

The May meeting is the last **CHANGE POINT CHURCH** event for a while. Next month KCK starts hosting its Potluck BBQs at Jewel Lake Picnic Pavilion for the summer months. The potlucks take place at Jewel Lake Pavilion. The club provides burgers, hot dogs, buns, utensils and napkins. Members are asked to bring a side dish. As those of you that have attended these in the past we have lots of fun and members often bring their gear which they may allow people to try out on the lake. This is also the last Newsletter until the end of the summer. A reminder for the potlucks will be sent.

- **The Church is the large building right next to the inflated sports arena off of Minnesota.**
- **Take Minnesota , exit east at Raspberry (toward the mountains). The church is a very short distance from the exit on the left.**
- **6689 Changepoint Dr.**
- **USE THE EAST ENTRANCE. Resurrection Bay Room**

We need a BBQ Cook!!

Don, our BBQ cook for several years, would like to take a break. **Thanks Don!!!!!!!!!!!!**

We would like a volunteer willing to take on the responsibility for this summer. We have a place the BBQ could be stored if needed. If interested contact Eric Downy at 337-1669.

Help Them Help You.

Many of the places paddlers take advantage of come under State or Federal control. Rangers from the DNR and Forest Service have asked they be contacted with any enforcement issues, damage, unusual events or suggestions you may have concerning areas under their control.
