KNIK CANOERS AND KAYAKERS

APRIL SAFETY (April 15) & GENERAL MEETING (April 22)

On **April 15** (the **meeting starts early at 6:30 PM**) the club holds its annual Safety Meeting **at Loussac**. This is probably the most important meeting of the year, even for those of you that have been enjoying water adventures for many years.

If you are taking a club sponsored class (Rafting or Canoe) you must attend the Safety Class and be a member. **Class registrations start at 5:30PM** but you can sign up early with the instructors.

There will also be commercial ventures, not associated with the KCK, that will be on hand to discuss their offerings in IK, Sea Kayaking, Pac Rafting and other water related adventures!

For the April 22 General Meeting we are lucky enough to have Matt Smith and Paul Twardock discuss their long distance trips kayaking in the Southeast. These are two different presentations and the night is certain to entertain you as well as be very informative.

Dave Sanders Backcountry Ranger Program Coordinator from the Park Service was enthusiastically received at the March meeting after discussing volunteer opportunities to help harden campsites at Blackstone. The dates will be August 10-12 and approximately 30 people signed up.

The club will be introducing and selling it's new T shirts at the Safety Meeting. Long sleeve (\$20) or short sleeve (\$15). Various colors are also available.

Interested in having the club help you pay for professional development?

The Board is interested in encouraging people to take leadership roles in club activities as well as promoting safety education. To further those goals the club will pay up to \$100 to those members that take recognized outdoor professional development training. The applicant must approach the Board and the award of the scholarship will be on a case by case basis. Think of this as your chance to help the club and learn something that could save a life!

Summary of KCK 4/1/2010 Board Meeting

- Board members present were Eric, Dan, Jim, Steve and Marv. Non Board member Richard and Alden also attended.
- Alden presented the 2009 financials to the Board. The club lost money during 2009 largely due to the loss of revenue from several classes that were taught by commercial ventures when the club was unable to find qualified volunteers willing to teach the classes as well as the higher cost of several general meetings that were at Change Point Church when the library was unavailable. Several options regarding ways to reduce cost and increase revenue were discussed including allowing members the option of receiving the newsletter on line. Raising the membership fee, which has been unchanged for many years was also discussed but no action was taken.
- Marv indicated the club T shirt will be available at the Safety Meeting. The Board approved selling the T Shirts short sleeve for \$15 and \$20 for the long sleeve.
- The Board recognized Charlene for the great job she has been doing with the membership database.
- The Board decided not to have a Board meeting in May.
- The Board has not received any requests for the \$100 scholarship toward taking an advanced safety class. Posters will be distributed to get the word out better.
- The timing of the Safety Meeting and class signup procedures will be changed. Class signups will be from 5:30-6:20PM. The Safety Meeting will start at 6:30PM. Early, direct sign ups with the instructors will be allowed. Participants must be a KCK member and be at the Safety Meeting. Early class signups must sign in at the Safety Meeting. Steve & Marv have been distributing posters and announcements.
- The agenda for the Safety Meeting was discussed and confirmed. Tom Pogson will present on sea and river kayaking hazards. Deb Ajanjo will discuss first aid preparedness for wilderness travel, Ben Harris will discuss safety gear and modeling. Jim Gonski will discuss River Hazards, Water Dynamics and Cold Water Immersion.
- The river and canoe class, taught by KCK volunteers is \$125. The previous newsletter had an incorrect amount.
- Creek Cleanup Day is May 8. See http://anchoragecreeks.org/pages/creekcleanup_about.php for details. This is NOT a KCK event.
- June 12 is the 6 Mile Paddlefest. See alaskawhitewater.org for details. This is NOT a KCK event.
